

AIA Springfield

January 11, 2019

Dear Potential Allied Member,

The Board of the American Institute of Architects Springfield Component would like to thank you for your interest in supporting our Component. Through your support from companies like yours, we are able to provide outreach programs to our community, continuing education opportunities to our members, and scholarship support to our area architectural students.

While there are many benefits to being an AIA Allied Member, the biggest value is the opportunity for face-to-face contact with local industry professionals. Membership provides many networking opportunities throughout the year, with no better way to engage local architects at one time. Visit AIASpringfield.org for a calendar of upcoming events, or watch your inbox for the AIA Springfield email blast.

Enclosed you will find the Allied Membership benefits package. We look forward to having you as a valued AIA Springfield Allied Member in the coming year; return the form to renew your membership for 2019 and continue building relationships with us, your local AIA architects.

Sincerely,

Stephen Telscher AIA, NCARB, LEED AP BD+C
